

## Spring 2024 Newsletter

Welcome to the latest “Bamboo update” newsletter. We hope you find some interest and inspiration in the recent updates, projects and information below.

### Congrats to Tuohy Homes, Wellington!

We were delighted to see our [bamboo x-treme decking](#) feature in the winning “Lockwood House of the Year 2024”, built by Tuohy Homes. What a beautiful looking home, pool and deck!

### Bamboo X-treme Decking

Congratulations to Brent Tuohy and his talented team. They have installed our decking in lots of their builds over the last few years and we are grateful for their business.

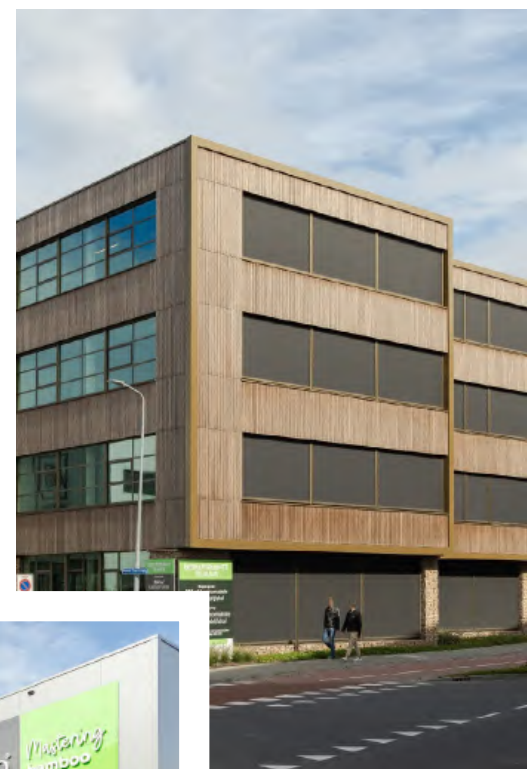

Check out their website and wonderful work [here](#).

### Visit to MOSO Bamboo – our Dutch Supplier

Plantation Bamboo owners, Kim and Steve Roughan were fortunate to visit the MOSO Bamboo (our Dutch Supplier/Partner) new Headquarters in Zwaag, near Amsterdam on their recent European holiday.

MOSO Sales Director, Arjen Veltman spent the morning giving them a tour around their new building and warehouse, after the previous building was destroyed in a devastating fire several years ago. *“It was great to spend some quality time with Arjen (who has over 25 years’ experience with bamboo) and meet lots of MOSO staff we often deal with”,* said Steve.

## Bamboo N-Durance Decking

We always love seeing photos of completed projects, featuring our bamboo products. This new Bamboo N-Durance deck in Waiheke Island looks great – and what spectacular views too!

Bamboo N-Durance decking is the newest addition to our beautiful bamboo range (earlier this year), after we saw great demand and success with it in Europe. Some customers prefer the lighter caramel colour of this decking option, even though it requires a bit more maintenance (with regular oil protection/colour) than our bamboo x-treme decking option.

Both options have the popular “invisible” clip/screw fixing system and, with the tongue in groove joins on the ends of the boards, mean that the decking is considerably quicker to install than most hardwood decking (with less cutting and wastage too).

## All go at Home Shows

We love sharing our passion for our bamboo products and showing these to customers whenever we can, giving some “bamboo inspiration” and ideas for new build or renovation projects.

We’ve recently exhibited at the popular Auckland Home Show and will also be at the Waikato Home Show on 3-6 October. If you’re in the Waikato area or nearby, we’d love to meet you and help as best we can.

## Master Builders House of the Year Gold Award Winner – DNA Homes

A big congratulations to DNA Homes in Christchurch for taking out the 2024 Gold Award for their stunning “Mapleham Drive” home in the Registered Master Builders House of the Year, Canterbury competition.

Our bamboo x-treme decking features strongly in the gorgeous outdoor living areas and around the swimming pool.

See the beautiful award-winning home and photos on their website [here](#).

Gorgeous outdoor living areas

DNA Homes also have a lovely show home which includes lots of our bamboo x-treme decking. The home demonstrates the high quality of their builds.

Best regards,  
Steve Roughan

We recently received this glowing feedback from a customer we referred to Bruce:

”

Please keep recommending Bruce for installations. I can't recommend him highly enough. He is such a great promoter and installer for your product. I suggested a garden bed and showed him some pics of Steve's place.

He called into Steve's to check it out and is now building me something very similar. He's gone above and beyond for me. Please thank Steve for the recommendation.

- Hilary, Otaki
